October 2017

To Kathleen Arar:

Congratulations!

Allow me to be the first to congratulate you for being chosen as one of the Best Doctors in America® 2017!

This is the premier Best Doctor award, presented by *Cincy Magazine* working in partnership with Best Doctors Inc.® This internationally recognized organization – with a national database of more than 40,000 physicians – conducts extensive research based primarily on peer-to-peer surveys of the leading medical practitioners in the Greater Cincinnati and Tri-state area. Being selected as a Best Doctors physician is an exceptional honor.

Cincy's Best Doctors will be featured in the December issue, which is mailed to more than 15,000 subscribers encompassing business professionals and decision-makers. In addition, a special mailing of this healthcare issue will be distributed to an audience of 4,000, including hospitals and doctors' offices throughout the Tri-state, along with distribution to major bookstores and newsstands, Krogers, and *Cincy Magazine* online (www.cincymagazine.com). All Best Doctors in America® physicians will be listed within the feature, along with their area of practice.

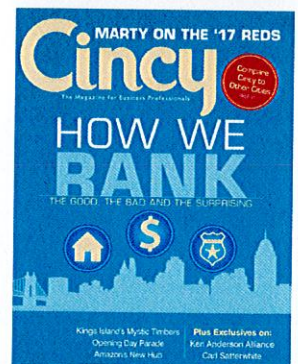

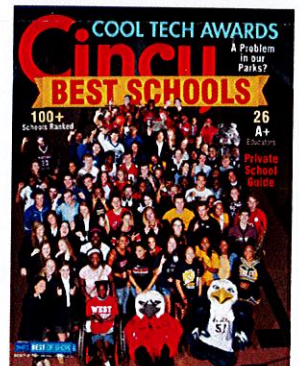

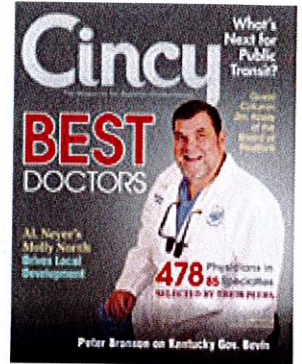

Also included in this mailing is a special opportunity reserved solely for those voted as Best Doctors in America® physicians – Best Doctor Profile. Those interested should contact me directly by November 1st.

Again, our compliments for a demanding job well done!

Respectfully,

Eric Harmon
